

March 2025

Hi,

Thank you so much for showing interest in this exciting role within our church here in Nottingham.

Our church is a busy community housed in a well-resourced building, and the role of Finance & Admin Lead brings oversight and leadership to the day to day financial and operational running of the church. The role covers two main areas: finance and the administration of our church database, which will demand a broad gift set from the successful candidate, although we can offer training and support to develop any areas of need.

The best way to describe Kings is as a FAMILY, a place of great friendship and encouragement, of great involvement and support. The people in the church love to serve and get involved (just have a look around our website to see some of the things people are engaged in). We are a lively community church serving the north of the city of Nottingham, very involved in partnership work with other like-minded churches in our town and Nottingham. We are part of the Groundlevel Network, a network of 80+ churches around the UK and through this we have access to support, encouragement, and training.

I do hope you will apply for this post and consider working with us to see the wider community of the north of the city of Nottingham impacted by Jesus.

The closing date for applications is Sunday 27th April 202. Please either email your completed application form to mark@thekingschurcharnold.org.uk or post it to our church address: The King's Centre, Shirley Drive, Arnold, Nottingham NG5 7JX

Every Blessing.

Mark.
